Course Duration: 10 Weeks

Course Fee: £94

Overview

The German - GCSE is an intensive one year course. Although the course is suitable for beginners, some knowledge of German is recommended. Students will practise the four language skills of reading, speaking, listening and writing and are encouraged to use the target language wherever possible.

Aims and Learning Outcomes

The focus will be on oral communication (speaking and listening) and some reading and writing will also be included. Pronunciation and German culture are an integral part of the course. The course will be conducted mainly in the foreign language. Learners will work through different activities individually, in pairs and in small groups, using a variety of learning methods and resources (role-play and games etc). Homework set will provide an opportunity for self study.

By the end of the course successful students should be able to:

- Give and receive basic greetings and personal information.
- Tell the time and use numbers and currency.
- Order and pay for food and drink in a restaurant or café.
- Ask for and give directions.

Course Structure

The programme will consist of 10 taught sessions, each of two hours. Each session contains a mixture of speaking, listening, reading and writing, always keeping sessions as interactive and practical as possible. This should aim to encourage use of new vocabulary and build up confidence in speaking.
