- Use grammar sections interactively in order to have a sound knowledge and understanding of the Spanish language.
- Most important of all, keep enjoying learning a new language!!

#### Course Structure

This course follows from the Conversational 1 stage, now introducing you to some complex skills in reading, writing, speaking and listening. This programme will consist of 10 taught sessions, each of two hours. Each session contains a mixture of speaking, listening, reading and writing, always keeping sessions as interactive and practical as possible. This should encourage use of new vocabulary and build up confidence in speaking and writing. The classes are conducted primarily in Spanish.

In order to make the most of the Intermediate Stage, students should be able to use personal information, know and use basic vocabulary relating to travelling, home life, booking a table at a restaurant and basic cultural life of Spanish speaking countries. In addition, students should be familiar with Spanish –ar, -er and –ir verbs as well as their conjugations.
